

PRIVACY STATEMENT CONNECTNOW

When using our social Wi-Fi service, we will collect personal data about you. To keep the service available for free, we will provide your personal data for online marketing purposes with third parties, which will be explained below. CONNECTNOW takes your privacy very serious and will collect and process your personal data in a secure manner. In order to guarantee your privacy, CONNECTNOW always acts in accordance with the Czech Data Protection Act (Act No. 101/2000 Coll., on the Protection of Personal Data). On this webpage you will find CONNECTNOW's Privacy Statement. Before you agree with this Privacy Statement, we recommend you to read this Privacy Statement carefully.

1. Who is CONNECTNOW?

CONNECTNOW trade mark of private company "VIP L.E.O.", s.r.o. with registered office at st. V dolině 1515/1c, 10100 Prague, Czech Republic, registered in the companies register at the Regional court in Prague, section C, file 138279 (Chamber of Commerce registration number 28391799). CONNECTNOW offers a service, which enables users to connect to the Internet. In order to make proper use of the service, your personal data will be collected and processed while using the service.

2. What personal data does CONNECTNOW collect and process?

The personal data that will be collected is depending, among other things, on how you connect to the social Wi-Fi service of CONNECTNOW. You can connect with your social media profile, or by providing your e-mail address.

Social media profile. To use the CONNECTNOW service, you can log in with your social media profile. CONNECTNOW will then collect the general information of your social media profile. Moreover, that information will most often be specified by the concerning social media platform (such as Facebook) before you log in.

E-mail address. A second possibility to use the CONNECTNOW service is to provide your e-mail address. Depending on the location from where you use the CONNECTNOW service, you may also provide information as gender, date of birth, name, postal address and your mobile number. During the login procedure you are able to see the exact personal data that will be collected.

Device information. When using the social media service, CONNECTNOW will process certain information about the device from which you make a connection and the browser that you use. To make use of the service possible CONNECTNOW registers for example (i) the IP- and MAC-address of the device that you use to make a connection, (ii) de so-called user- agent such as browser type/version and telephone type/version. Furthermore, CONNECTNOW registers the type of browser and the computer system that you use. Based on the information of your device CONNECTNOW is able to decide where the telephone is located when you are in the close area of a social Wi-Fi hotspot.

WIFI. When you use the social media service, we also process so-called IDFA and AAID information about you; this means - in short - commercial identifying information.

Websites. CONNECTNOW does not store any information about which websites you visit. However, it may be possible that CONNECTNOW, for example in relation to a legal requirement, verifies if the websites that you try to visit contains detrimental content. We do this by means of a check of the domain name and/or the IP-address of the website that you visit.

3. What are cookies and how does CONNECTNOW use them?

When using the social Wi-Fi service, various cookies are saved on your computer, tablet or mobile phone ("Devices"), which can then be accessed. Cookies are small pieces of information (in the form of text) that a server sends to the browser (such as Internet Explorer or Firefox) with the intention that the browser sends this information back to the server the next time a user makes use of the social Wi-Fi service.

CONNECTNOW only uses technical and functional cookies that are necessary to make a connection. Websites or services that you visit when using the social Wi-Fi service, most often use other cookies. CONNECTNOW has no control over cookies that are placed on your devices by those third party services or websites. For more information about those cookies, it is recommended to read the privacy statements of the third party websites that you visit.

You can configure your browser settings so that you do not receive any cookies the next time you use the service. However, it is then possible that you will no longer be able to make full use of the websites you visit. To find out more about these functions, you can consult your browser instructions or the help function of your browser.

4. For what purposes will CONNECTNOW use personal data about you?

Purposes:

CONNECTNOW may use your personal data for the following purposes:

- To provide the service and to allow you to use the social Wi-Fi service;
- To communicate with you about the services of CONNECTNOW;
- To protect, adapt and improve the service;
- To provide information about you to the provider of the social Wi-Fi hotspot;
- To provide third parties with information about you– whether or not for a compensation, inter alia (i) for commercial or marketing purposes, (ii) because you explicitly given your consent, (iii) and/or if CONNECTNOW is obliged to provide information about you based on law- an/or regulations.

CONNECTNOW would like to inform you about the development of their services. For example in case of an expansion or when there is an update CONNECTNOW will communicate this information with you. CONNECTNOW can also inform you about promotions that are and/or will be organized.

If you wish not to receive any e-mails from CONNECTNOW, you can unsubscribe via support@connectnow.me. There is also an option to unsubscribe in every e-mail that you receive from CONNECTNOW.

Third party use. CONNECTNOW can provide your personal data to third parties if it is obliged to do so based on law and/or regulations, if CONNECTNOW is obliged to do so as a result of a legal case and/or if CONNECTNOW deems it necessary to do so in defense of its own rights.

To remain the service of CONNECTNOW as a free service, we can also provide the company that offers you the social Wi-Fi hotspot with your personal data, or to other commercial parties, for example for commercial and/or direct marketing purposes like to send you offers.

When you use the social Wi-Fi service, it may be possible that you use services or websites of third parties. CONNECTNOW has no control over services or websites of third parties. Therefore it may be possible that for these services and/or websites of third parties another privacy statement shall apply. This privacy statement of CONNECTNOW only applies to the personal data that is collected and processed via the social Wi-Fi service. CONNECTNOW does not accept any accountability or liability for (the processing of and/or the content of) services and/or websites of third parties.

5. How does CONNECTNOW protect your personal data?

CONNECTNOW takes appropriate technical and organizational measures to protect your (personal) data against loss or any form of unlawful use.

6. How can you view, change or delete your personal data?

If you wish to know what personal data we have collected about you or if you wish to change or delete data, then you can send your request to support@connectnow.me. We will provide you with the personal data within 4 weeks. We may ask for valid identification.

7. Transfer of data to countries outside the EU

For technical and operational reasons, it may be necessary for your (personal) data to be transferred to (the servers of) companies affiliated to CONNECTNOW located in the United States or other countries outside of Europe. Since legislation concerning data protection may then not offer the same protection as in the European Union, you hereby agree that your (personal) information can be transferred to the United States or another country outside of Europe. In the event CONNECTNOW decides to transfer your personal data outside of Europe, you will be informed first.

8. Can this Privacy Statement be changed?

It is possible for this Privacy Statement to be amended in the future. It is recommended to regularly check if this Privacy Statement is amended when you use SOCIAL WIFI's service.

9. Questions?

If you have any questions about this Privacy Statement, please do not hesitate to contact us via support@connectnow.me.
